FEATURES AND BENEFITS

Premium Color Output

- › 26 page-per-minute color print engine, advanced image enhancement and automatic collation combine to enable the seamless creation of high-resolution, distribution-ready output
- › 11" x 17" color output on a compact MFP that can be installed in office locations traditionally occupied by letter/legal devices
- › You control the color. Advanced multi-level technology enables you to produce subtle tones and gradations of color to lend photographic quality to documents
- › RGB color management enables you to customize your color output to your exact requirements
- › Reduce paper consumption and day-to-day operational costs by utilizing duplex print and copy capabilities

50-sheet reversing automatic document feeder / ledger-size platen glass

- › Enables copying, scanning or faxing of large jobs without having to separate them into multiple sets
- › Ledger-size platen glass enables the copying, scanning or faxing of documents that are not appropriate for the document feeder

Intuitive operation

- › Well-designed touch screen allows for one-touch access to commonly used functions
- › EasyChangeSM consumables can be easily accessed and changed without any hassle or messy clean-up

Flexible paper configuration

- › Standard 300-sheet front-loading paper cassette is both accessible and adjustable

- › Standard 100-sheet multipurpose bypass tray is the perfect solution for producing envelopes, letterhead, labels, postcards, 11.6" x 47.24" banners and transparencies
- › Additional paper cassettes can be added for increased handling and performance (1,460 sheet maximum capacity)

High-resolution scanning

- › High-resolution color scanner (600 x 600 dpi) captures photo quality color images and crisp monochrome text
- › Quickly digitize color and monochrome documents for delivery to e-mail addresses, FTP sites, PC folders and USB flash drives
- › Register up to 500 e-mail addresses and 50 PC folder shortcut locations to enable instant access to scanning destinations
- › Supports LDAP & Kerberos authentication

High-speed fax operation

- › Store up to 500 fax numbers in the address book for instant recall
- › Fax numbers can be accessed from the touch screen enabling one-touch sending
- › Quickly send documents from a PC using the intuitive fax driver
